

Thy Will by Hillary Scott

Capo: 3rd Fret

[Intro] **Am** **C** **Em** **F**

[Verse 1]

Am **C**
I'm so confused
 Em **F**
I know I heard you loud and clear
 Am **C**
So I follow through
 Em **F**
Somehow I ended up here

F
I don't wanna think
F
I may never understand
G
about my broken heart
G
is a part of your plan
F
when I try to pray
F
all I got is hurt
G
and these four words

[Chorus]

F **G**
Thy will be Done
Am **Em** **F**
Thy will be Done
F **G** **Am** **C** **Em** **F**
Thy will be Done

[Verse 2]

Am **C**
I know you're good
 Em **F**
But this don't feel good right now
 Am **C**
and I know you think
 Em **F**
things I could never think about

F
It's hard to call it all joy
F
distracted by the noise
G
just trying to make sense
G
of all of your promises
F
sometimes I gotta stop
F
Remember that you're God
G
and I am not

so...

[Chorus]

F **G**
Thy will be Done
Am **Em** **F**
Thy will be Done
F **G** **Am** **C** **Em** **F**
Thy Will Be Done like a child on my knees all that comes to me is
(chorus)

(Bridge)

F **G**
I know you see me
Am **Em**
I know you hear me lord
F **G**
Your plans are for me
Am **Em**
Goodness you have in store (repeat)

So...

[Chorus 2x]

F **G**
I know you see me
Am **Em**
I know you hear me Lord
