

Know It All

Lyrics By Randy Scott 6/7/2017

Time: 4/4 Key: G **Intro: F C | G | (2x)**

V-1

F C G
Lord I know you know it all,
F C Em
When we will rise and when we'll fall,
F C G
When we will laugh and when we'll cry;
F C Em
And you know every reason why;
A D C
But even though you know it all,
A D
I need you to know,
F C
And I want my life to show
F C G F C G
That I Love You!

V-2

F C G
It's in your plan for us to win,
F C Em
As you forgive when we sin,
F C G
And sometimes we have to lose,
F C Em
It all depends on the path we choose;
A D C
But even though you know it all,
A D
I need you to know,
F C
And I want my life to show
F C G F C G
That I Love You!

Chorus

D **Em**
And when you let us fail,
D **Am**
We know your love will prevail;
C **Em**
Through weakness and temptation,
C **Em**
You provide the consolation,
C **A**
A life without sorrow
D
Where we'll spend tomorrow,
F C G F C G
Not here on Earth, but in Heaven.

V-3

F **C** **G**
So on that day we finally meet
F **C** **Em**
When my knees bend and I kneel at your feet,
F **C** **G**
And you pick me up as I fall,
F **C** **Em**
Even though you know it all
A **D** **C**
As my life continues every day
A **D**
With you up above,
F **C**
I want to say
F C G F C G
It is You Lord that I Love!
